Burdick Vineyard Tours

I've had a unique opportunity as a Sommelier and owner of a Wine Tour Company to taste the best wines in Northern California. Now it is time for me to share some of my favorites with you.

Cheers,

John Burdick

Six Every Six!

BVT is now shipping 6 bottles every 6 months.

First shipment will be in May and the last shipment will be in November (before Thanksgiving) We feel by shipping in these months we will circumvent any problems of heat exposure to the wine.

I hereby authorize Burdick Vineyard Tours to charge my Grand Cru Club purchase of approximately \$240-300.00 plus shipping and applicable taxes to my account every six months.
